Subject: Clean our river and promote our economy

A big, expensive river cleanup may sound like a good idea. But it isn't.

If the EPA approves a big, expensive cleanup, I am worried that it will lead to higher costs for small companies and Portlanders. We have utilities who will pay part of the cost and I'm worried a big cleanup bill would lead to higher utility bills.

Please do whatever you can to support the river and our health but also to make sure our jobs don't go away.

Sincerely,
